Charges: Ksh.500

PAYMENT DETAILS: PAYBILL: 260560 ACCOUNT: EBK REG. NUMBER

OBJECTIVE OF THE WORKSHOP

The Board plans to increase the transition rate of Graduate Engineers to Professional Engineers in order to have at least 10,000 Professional Engineers in the next 5 years. Towards this end, the Board would like to engage Graduate Engineers who have been in the Board’s register for more than 10 years and are in good standing in order to:

1. Understand their challenges in transitioning to become Professional Engineers
2. Sensitize them on the requirements for transitioning to Professional Engineers
3. Jointly formulate action plans and mentorship frameworks to support GEs to apply for registration
