

ENGINEERS BOARD OF KENYA

SCHEDULE OF PRE-SUBMISSION CONFERENCES (2022/2023 FY)

The Engineers Board of Kenya (the Board) introduced a new professional examination procedure at the start of 2021/2022 financial year. Graduate Engineers who have attained three years experience are required to attend a mandatory pre-submission conference before submitting to the Board an application for registration as Professional Engineers. The pre-submission conferences prepare Graduate Engineers for professional assessment examinations conducted by the Board.

APPLICATION FOR PROFESSIONAL REGISTRATION – REQUIREMENTS

A person applying for registration as a professional engineer should: -

- Have attained a minimum of three years experience in engineering field as required by the Engineers Act 2011 and Engineers Rules 2019.
- Have attended a pre-submission conference in the engineering discipline for which they are applying for registration. Table 1 shows the schedule of discipline-specific pre-submission conferences for 2022/2023 FY.
- Apply for registration in the prescribed format (**Application forms may be downloaded from the Engineers Board of Kenya (EBK) website www.ebk.go.ke**)

TABLE 1: 2022/2023 SCHEDULE OF DISCIPLINE-SPECIFIC PRESUBMISSION CONFERENCES

Quarter	Date	Engineering Discipline
1 st (July – September 2022)	17 th August 2022	Civil Engineering
	18 th August 2022	Mechanical/Agricultural Engineering
	19 th August 2022	Electrical Engineering
2 nd (October – December 2022)	23 rd November 2022	Civil Engineering
	24 th November 2022	Mechanical/Agricultural Engineering
	25 th November 2022	Electrical Engineering
3 rd (January – March 2023)	8 th February 2023	Civil Engineering
	9 th February 2023	Mechanical/Agricultural Engineering
	10 th February 2023	Electrical Engineering
4 th (April – June 2023)	17 th May 2023	Civil Engineering
